HIKING & XC SKI TRAILS

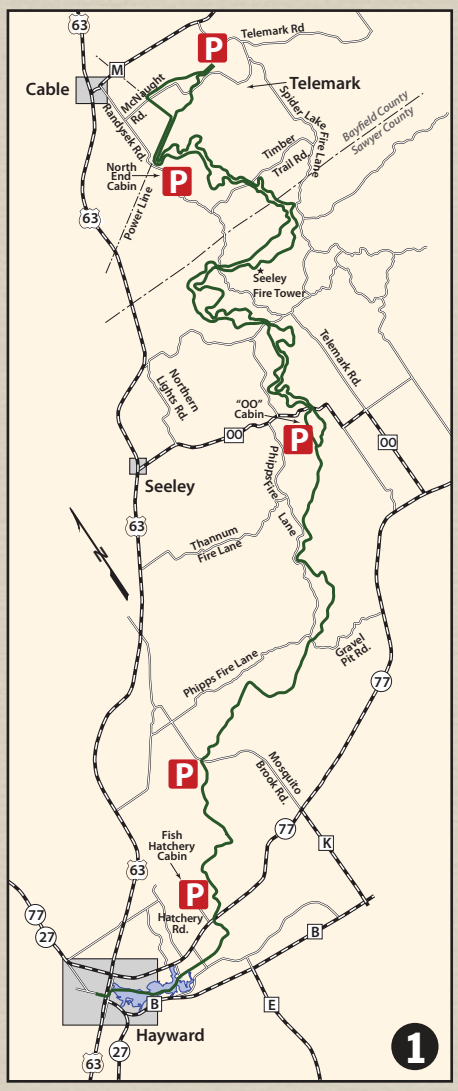
1 AMERICAN BIRKEBEINER TRAIL

Apr-Nov Dec-Mar

Winter: No Pets • **Other:** Leashed Pets + Clean up.

The Birkie Trail is home to the world famous American Birkebeiner, North America's largest cross-country ski race. Every February, over 10,000 skiers gather in northwest Wisconsin to participate in the Nordic Festivities. The Birkie Trail system includes 107K (66 miles) of trails. Primary trail access points include trailheads at Fish Hatchery, Mosquito Brook, Highway OO, and North End Cabin. The Birkie Trail is accessible 365 days a year, with usage limited to skiing only from December through March. A Birkie Trail pass* is required December 1 through March 1.

More information: 715-634-5025 or www.birkie.com for downloadable Birkie Trail map. **Birkie Trail Pass required Dec-Mar. See www.Birkie.com for details.*

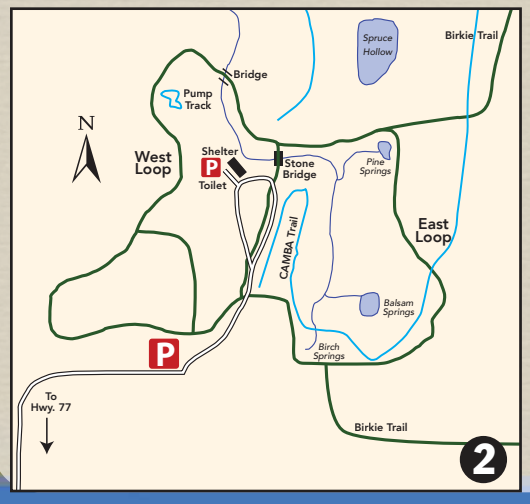


2 HATCHERY CREEK COUNTY PARK

Apr-Nov Dec-Mar Dec-Mar Apr-Nov Dec-Mar

Winter: No Pets • **Other:** Leashed Pets + Clean up.

Hatchery Creek Park is a scenic, cozy park located just a few miles from downtown Hayward. Hatchery Creek is home to a CAMBA (Chequamegon Area Mountain Bike Association) Trailhead featuring a 9 mile loop of intermediate singletrack as well as a pump track and bike skills area. In the winter there are several miles of groomed and lighted ski trails to enjoy that connect to the Birkie trail. The CAMBA singletrack is groomed for winter fat biking as well. Snowshoeing is permitted on the singletrack during the winter, but not on the ski trails. Please follow marked signs and seasonal trail closures. There is an upper and lower parking lot. Facilities include a heated shelter, well, restrooms, fire pit and picnic tables (all located on the lower level). Shelter may be reserved for private parties and events.



3 HOSPITAL TRAILS (HASTA/CAMBA)

Winter: No Pets • **Other:** Leashed Pets + Clean up.

Ski Loop names are Buckthorn, Lakeview, Pine, Darrell (for snowshoeing), Clearcut, White Pine, Beaver Pond, Ox, and Hilly – in 2 and 3km loops to an overall distance of nearly 20 km. Mt/Fat Bike Trails: Loops totaling 3+ miles, more planned.

Directions: From Hayward, follow Hwy 63N to the intersection with Hwy 27/77. Turn left and travel about 3/4 miles on 27/77. Turn right onto Hospital Road – at about 1/2 mile there will be a gravel parking area to the north with access to the southern trail loops. You may continue to Olson Road and turn left, parking along the road near the trail gate for closer access to the eastern/northern trail loops that are hillier. To reach Bike Trails continue on 27/70 to road to Hospital & Clinics. Turn right toward Hospital/Clinics, turn left into Clinic parking area. Park in north end of lot.

4 TOWN OF HAYWARD RECREATIONAL FOREST TRAIL

Winter: Skijoring Allowed • **Other:** Leashed Pets + Clean up.

About 4 miles of winding trails with a couple of small hills, scenic mixed woods, a small lake, and abundant wildlife. In the winter months, options include a sledding hill and a snowshoe trail.

Directions: Follow Hwy. 63S 1 mile from downtown Hayward to Greenwood Lane, turning right. Follow Greenwood Lane about 3/4 miles to stop sign. Turn left onto W County Hill Road. Follow County Hill Road about 1.5 miles. As you pass a gravel pit area, you'll see a sign on your left - 'Town of Hayward Recreational Forest' that will take you to a parking area.

Winter: Leashed Pets + Clean up. • **Other:** Leashed Pets + Clean up.

Located 5.9 miles south of Hayward on Hwy. 27. Turn right (West) 1/10th of a mile, parking on right. Several loops totaling 3 plus miles for hiking and snwshoeing. Lite mountain biking also welcome.
